INDEPENDENT AUDITORS' REPORT

To the Board of Directors of PazLo Education Foundation Los Angeles, California

Report on the Financial Statements

We have audited the accompanying financial statements of PazLo Education Foundation (the "Organization") which comprise the statement of financial position as of June 30, 2021, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of PazLo Education Foundation as of June 30, 2021, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplementary information listed in the table of contents, including the schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated November 23, 2021, on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

San Diego, California November 23, 2021

NOTE 1 – SIGNIFICANT ACCOUNTING POLICIES

A. Reporting Entity

PazLo Education Foundation (the "Organization") was formed as a nonprofit public benefit corporation on October 20, 2011 for the purpose of operating California public schools located in Los Angeles. The Organization works with vulnerable student populations throughout the Los Angeles area with a goal to increase college opportunities for their students. The Organization operates two public charter schools, referred to collectively as "the Charters." Additional information on each school is as follows:

Apex Academy (California Charter No. 1459) is authorized to operate through the Los Angeles Unified School District (the "authorizing agency" or "LAUSD"). The current charter petition covers a five-year term expiring on June 30, 2022. APEX Academy is a conversion school that initially offered classes as an innovative small school under LAUSD in 2008 and was converted to an independent charter school in 2012. APEX Academy serves grades 7 to 12 through site-based instruction.

Matrix for Success Academy (California Charter No. 1961) is also authorized by the Los Angeles Unified School District. The current charter petition covers a five-year term expiring on June 30, 2023. Matrix for Success Academy was numbered by the State Board of Education as an independent start-up charter school in May 2018 with classes beginning in Fall 2018. Matrix for Success Academy serves grades 10 to 12 through nonclassroom-based instruction.

Funding sources primarily consist of state apportionments, in lieu of property tax revenues, and grants and donations from the public.

B. Basis of Accounting

The Organization's policy is to prepare its financial statements on the accrual basis of accounting; consequently, revenues are recognized when earned rather than when cash is received and certain expenses and purchases of assets are recognized when the obligation is incurred rather than when cash is disbursed.

C. Financial Statement Presentation

The financial statements are presented in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 958 dated August 2016, and the provisions of the American Institute of Certified Public Accountants (AICPA) "Audit and Accounting Guide for Not-for-Profit Organizations" (the "Guide"). ASC 958-205 was effective July 1, 2018. Under the Guide, PazLo Education Foundation is required to report information regarding its financial position and activities according to two classes of net assets:

Net assets without donor restrictions – These net assets generally result from revenues generated by receiving contributions that have no donor restrictions, providing services, and receiving interest from operating investments, less expenses incurred in providing program-related services, raising contributions, and performing administrative functions.

Net assets with donor restrictions – These assets result from gifts of cash and other assets that are received with donor stipulations that limit the use of the donated assets, either temporarily or permanently, until the donor restriction expires (that is until the stipulated time restriction ends or the purpose of the restriction is accomplished) the net assets are restricted. When a restriction expires, restricted net assets are reclassified to net assets without donor restrictions.

The Organization also accounts for its financial transactions in accordance with the policies and procedures of the Department of Education's *California School Accounting Manual* presented in Procedure 810 Charter Schools. Fund accounting is only used to the extent that internal accounting for multiple charter school operations is necessary and is not used for external financial statement presentation.

NOTE 1 – SIGNIFICANT ACCOUNTING POLICIES (continued)

D. Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures, such as depreciation expense and the net book value of capital assets. Accordingly, actual results could differ from those estimates.

E. Contributions

Unconditional contributions are recognized when pledged and recorded as net assets without donor restrictions or net assets with donor restrictions, depending on the existence and/or nature of any donor-imposed restrictions. Conditional promises to give are recognized when the conditions on which they depend are substantially met. Gifts of cash and other assets are reported with donor restricted support if they are received with donor stipulations that limit the use of the donated assets.

When a restriction expires, that is, when a stipulated time restriction ends or a purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported on the statement of activities as "net assets released from restrictions." Donor-restricted contributions whose restrictions are met in the same reporting period are reported as net assets without donor restriction support. Contributions restricted for the acquisition of land, buildings, and equipment are reported as net assets without restriction upon acquisition of the assets and the assets are placed in service.

Non-cash contributions of goods, materials, and facilities are recorded at fair value at the date of contribution. Contributed services are recorded at fair value at the date of contribution if they are used to create or enhance a non-financial asset or require specialized skills, are provided by someone possessing those skills, and would have to be purchased by the organization if not donated.

F. In Lieu of Property Tax Revenue

Secured property taxes attach as an enforceable lien on property as of March 1. Taxes are payable in two installments on December 10 and April 10. Unsecured property taxes are payable in one installment on or before August 31. The County bills and collects the taxes for the authorizing agency. In lieu of distributing funds out of property tax proceeds, the authorizing agency makes monthly payments to the Charters. Revenues are recognized by the Charters when earned.

G. Functional Expenses

The costs of providing services have been summarized on a functional basis in the statement of activities and detailed in the statement of functional expenses. Certain costs and expenses have been allocated between program and supporting services based on management's estimates.

H. Cash and Cash Equivalents

PazLo Education Foundation considers all highly liquid deposits and investments with an original maturity of less than ninety days to be cash equivalents.

I. Investments

The Organization's method of accounting for most investments is the fair value method. Fair value is determined by published quotes when they are readily available. Gains and losses resulting from adjustments to fair values are included in the accompanying statement of activities. Investment return is presented net of any investment fees.

NOTE 1 – SIGNIFICANT ACCOUNTING POLICIES (continued)

J. Receivables and Allowances

Accounts receivable are stated at the amount management expects to collect from outstanding balances. An allowance for doubtful accounts is established, as necessary, based on past experience and other factors which, in management's judgment, deserve current recognition in estimating bad debts. Such factors include the relationship of the allowance for doubtful accounts to accounts receivable and current economic conditions. Based on review of these factors, the Organization establishes or adjusts the allowance for specific revenue sources as a whole. At June 30, 2021, an allowance for doubtful accounts was not considered necessary as all accounts receivable were deemed collectible.

K. Capital Assets

PazLo Education Foundation has adopted a policy to capitalize asset purchases over \$1,000. Lesser amounts are expensed. Donations of capital assets are recorded as contributions at their estimated fair value. Such donations are reported as net assets without donor restrictions. Capital assets are depreciated using the straight-line method over the estimated useful lives of the property and equipment or the related lease terms.

L. <u>Deferred Revenue</u>

Deferred revenue arises when potential revenue does not meet the criteria for recognition in the current period and when resources are received by the organization prior to the incurrence of expenses. In subsequent periods, when both revenue recognition criteria are met, the liability for deferred revenue is removed from the statement of financial position and revenue is recognized.

M. Income Taxes

PazLo Education Foundation is a 509(a)(1) publicly supported nonprofit organization that is exempt from income taxes under Section 501(a) and 501(c)(3) of the Internal Revenue Code and classified by the Internal Revenue Service as other than a private foundation. The Organization is exempt from state franchise or income tax under Section 23701(d) of the California Revenue and Taxation Code. As an educational institution, the Organization is not required to register with the California Attorney General as a charity.

The Organization's management believes all of its significant tax positions would be upheld under examination; therefore, no provision for income tax has been recorded. The Organization's information and/or tax returns are subject to examination by the regulatory authorities for up to four years from the date of filing.

N. Fair Value Measurements

The Fair Value Measurements Topic of the FASB Accounting Standards Codification establishes a fair value hierarchy that prioritizes inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The three levels of the fair value hierarchy are described below:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.
- Level 2 Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets, and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTE 1 – SIGNIFICANT ACCOUNTING POLICIES (continued)

O. New Accounting Pronouncement

Leases

In February 2016, FASB issued ASU No. 2016-02, *Leases (Topic 842)*. The objective of the ASU is to increase transparency and comparability in financial reporting by requiring balance sheet recognition of leases and note disclosure of certain information about lease arrangements. The new FASB ASU topic on leases consists of five subtopics: overall, lessee, lessor, sale and leaseback transactions, and leveraged lease arrangements. ASU No. 2016-02 is applicable to any entity that enters into a lease. The new lease standard is effective for private nonprofits with fiscal years beginning after December 15, 2021. The Organization will determine the impact on the financial statements once required to implement in the 2022-23 fiscal year.

NOTE 2 – CASH AND CASH EQUIVALENTS

Cash and cash equivalents as of June 30, 2021, consists of \$1,374,669 in cash in banks held in non-interest bearing accounts. As of June 30, 2021, \$1,127,312 of the PazLo Education Foundation's bank balance was exposed to custodial credit risk as there were deposits over \$250,000 in accounts held at one or more banks. Custodial credit risk is the risk that in the event of a bank failure, an organization's deposits may not be returned to it. PazLo Education Foundation does not have a policy for custodial credit risk for deposits. The FDIC insures up to \$250,000 per depositor per insured bank.

NOTE 3 – ACCOUNTS RECEIVABLE

Accounts receivable as of June 30, 2021, consists of the following:

Local control funding sources, state aid	\$ 1,153,500
Federal sources	132,855
Other state sources	69,181
In lieu property tax payments	42,233
Other local sources	53,865
Total Accounts Receivable	\$ 1,451,634

NOTE 4 - CAPITAL ASSETS

A summary of activity related to capital assets during the year ended June 30, 2021 consists of the following:

		Balance					Balance
	Ju	ly 1, 2020	P	Additions	Disposals	Jı	une 30, 2021
Property and equipment							
Furniture and equipment	\$	164,916	\$	30,091	\$ -	\$	195,007
Less accumulated depreciation		(106,470)		(25,179)	-		(131,649)
Capital Assets, net	\$	58,446	\$	4,912	\$ -	\$	63,358

NOTE 5 – ACCOUNTS PAYABLE

Accounts payable as of June 30, 2021, consists of the following:

Due to grantor government	\$ 196,629
Due to authorizing agency	121,417
Compensated absences	64,115
Other salaries and benefits	508
Vendor payables	98,408
Total Accounts Payable	\$ 481,077

NOTE 6 – DEFERRED REVENUE

Deferred revenue as of June 30, 2021, consists of the following:

Federal sources	\$ 115,507
State sources	215,230
Total Deferred Revenue	\$ 330,737

NOTE 7 – LOAN PAYABLE

In September 2019, the Organization entered into a loan agreement to borrow \$150,000 through the Charter Revolving Loan Fund Program administered by the California School Finance Authority (CSFA). The loan was to assist with operations of Matrix for Success Academy. The loan is to be repaid over a three-year period ending January 2023. The revolving note bears an annualized interest rate equal to the "prime rate" of 1.976% During the fiscal year ended June 30, 2021, the Organization made payments of \$52,710, which included \$49,998 of principal and \$2,712 of interest expense. As of June 30, 2021, the outstanding balance on the loan was \$100,002. Repayment obligations on the above referenced debt are as follows:

Fiscal Year Ending June 30,	
2022	\$ 51,769
2023	50,787
Total Payments	102,556
Less Interest	(2,554)
Total	\$ 100,002

NOTE 8 – PAYCHECK PROTECTION PROGRAM (PPP)

In April 2020, the Organization received a loan in the amount of \$860,331 under the Paycheck Protection Program (PPP) administered by the Small Business Administration (SBA). The PPP, established by the Coronavirus Aid, Relief and Economic Security Act (CARES Act), provides for loans to qualifying businesses for amounts up to 2.5 times their average monthly payroll expenses. Under the terms of the PPP, the full loan and any accrued interest may be forgiven if they are used for qualifying expenses as described in the CARES Act. The Organization applied for forgiveness with the lender and received full forgiveness from the SBA. The amount of loan forgiveness is presented as a component of federal support and revenues on the statement of activities.

NOTE 9 - NET ASSETS

As of June 30, 2021, the Organization did not hold any net assets with donor restrictions. Certain designations or reserves have been made for the use of net assets without donor restrictions either by the board, management or by nature of the financial assets held by the Organization. At June 30, 2021, the Organization's net assets without donor restrictions consist of the following:

Net investment in capital assets	\$ 63,358
Undesignated	1,958,782
Total Net Assets without Donor Restrictions	\$ 2,022,140

As part of the charter petitions with LAUSD, the Charters are to hold cash reserves equal to five percent of total expenditures or \$328,483 for the fiscal year ended June 30, 2021. It is management's belief that this reserve is held within the undesignated amount of net assets without donor restrictions noted above.

NOTE 10 - LIQUIDITY AND AVAILABILITY OF FINANCIAL ASSETS

The following table reflects the Organization's financial assets as of June 30, 2021, reduced by amounts not available for general expenditure within one year. Financial assets are considered not available for general use when illiquid or not convertible to cash within one year, consist of assets held for others or are held aside by the governing board for specific contingency reserves. Any board designations could be drawn upon if the board approves that action.

Financial Assets	
Cash and cash equivalents	\$ 1,374,669
Accounts receivable, current portion	1,451,634
Prepaid expenses	29,295
Total Financial Assets, excluding noncurrent	\$ 2,855,598
Contractual or donor-imposed restrictions	
Reserves per charter petitions	(328,483)
Financial Assets available to meet cash needs	
for expenditures within one year	\$ 2,527,115

NOTE 11 - EMPLOYEE RETIREMENT PLANS

Qualified employees are covered under multiple-employer defined benefit pension plans maintained by agencies of the State of California. In accordance with *California Education Code* 47605, charter schools have the option of participating in such plans if an election to participate is specified within the charter petition. The Charters have made such election. Certificated employees are members of the California State Teachers' Retirement System (CalSTRS). Non-certificated employees or those who do not qualify to participate in CalSTRS are offered social security as an alternative plan.

California State Teachers' Retirement System (CalSTRS)

Plan Description

PazLo Education Foundation contributes to the California State Teachers' Retirement System (CalSTRS), a cost-sharing multiple-employer public employee retirement system defined benefit pension plan administered by CalSTRS. The plan provides retirement, disability and survivor benefits to beneficiaries. Benefit provisions are established by state statutes, as legislatively amended, within the State Teachers' Retirement Law. CalSTRS issues a separate comprehensive annual financial report that includes financial statements and required supplementary information. Copies of the CalSTRS annual financial report may be obtained from CalSTRS, 7667 Folsom Boulevard; Sacramento, California 95826.

NOTE 11 – EMPLOYEE RETIREMENT PLANS (continued)

California State Teachers' Retirement System (CalSTRS) (continued)

Funding Policy

Active plan members are required to contribute 10.25% or 10.205% of their 2020-21 salary depending on the employee's membership date in the plan. The required employer contribution rate for fiscal year 2020-21 was 16.15% of annual payroll. The contribution requirements of the plan members are established by state statute. The Organization's contributions to CalSTRS for the last three fiscal years were as follows:

			Percent of Required
	Co	ntribution	Contribution
2020-21	\$	410,632	100%
2019-20	\$	464,303	100%
2018-19	\$	433,812	100%

On-Behalf Payments

The State of California makes direct on-behalf payments for retirement benefits to CalSTRS on behalf of all school agencies in California. The amount of on-behalf payments made for the Charters is estimated at \$283,538. The on-behalf payment amount is computed as the proportionate share of total 2019-20 State on-behalf contributions.

Defined Contribution Plan

The Organization offers a 401(k) retirement plan to each of its qualifying employees. Employer and employee contributions are used to purchase annuity contracts for each participant employee. Employer matching contributions are made at the rate equal to 100% of the first 3% of elective deferrals for each employee who is eligible for employer contributions. Additionally, the employer may elect to make a discretionary contribution for each qualifying employee for each plan year. The amount of employer contributions used to purchase annuity contracts for the year ended June 30, 2021 was \$4,770.

NOTE 12 - COMMITMENTS AND CONTINGENCIES

Charter School Authorization

As mentioned in Note 1A, the Charters operated by PazLo Education Foundation are approved to operate as a public charter school through authorization by the Los Angeles Unified School District. As such, the Charters are subject to the risk of possible non-renewal or revocation at the discretion of its authorizing agency if certain criteria for student outcomes, management, and/or fiscal solvency are not met.

Governmental Funds

PazLo Education Foundation has received state and federal funds for specific purposes that are subject to review and audit by the grantor agencies. Although such audits could generate expenditure disallowances under terms of the grants, it is believed that any required reimbursements would not be material.

Multiemployer Defined Benefit Plan Participation

Under current law on multiemployer defined benefit plans, the Organization's voluntary withdrawal from any underfunded multiemployer defined benefit plan would require the Organization to make payments to the plan, which would approximate the Organization's proportionate share of the multiemployer plan's unfunded vested liabilities. CalSTRS has estimated that the Organization's share of withdrawal liability is approximately \$4,860,149 as of June 30, 2020. The Organization does not currently intend to withdraw from CalSTRS. Refer to Note 11 for additional information on employee retirement plans.

NOTE 12 - COMMITMENTS AND CONTINGENCIES (continued)

Facility Use Agreement

PazLo Education Foundation holds a facility use agreement with Los Angeles Unified School District for the use of property located at 1309 Wilton Avenue in Hollywood, California. The facility is utilized by APEX Academy for classroom instruction. The Organization pays a pro rata share charge for the maintenance of the facility and other services in lieu of paying a set lease amount. The pro rata share charge is negotiated annually; therefore, the amount attributed to future years cannot be determined. The total facility usage fees paid by APEX Academy to the authorizing agency during the fiscal year ended June 30, 2021 was \$319,566.

Operating Lease

In August 2018, the Organization entered into a property lease agreement for a term ending July 31, 2020. In August 2020, the lease agreement was amended to extend the term by one year to July 31, 2021. The site, located at 1046 East 34th Street in Los Angeles, California, is utilized by Matrix for Success Academy. The total rent expense associated with this agreement amounted to \$180,000 for the fiscal year ended June 30, 2021. In March 2021, the lease agreement was extended by one year to July 31, 2022. Future minimum lease payments are \$15,000 per month for a total of \$180,000 for the fiscal year ending June 30, 2022.

NOTE 13 – DONATED GOODS AND SERVICES

During the year, many parents, administrators and other individuals donated significant amounts of time and services to PazLo Education Foundation in an effort to advance the Organization's programs and objectives. These services have not been recorded in the Organization's financial statements because they do not meet the criteria required by generally accepted accounting principles.

NOTE 14 - RELATED PARTY TRANSACTIONS

Authorizing Agency

The Organization makes payments to the authorizing agency, Los Angeles Unified School District, to provide required services for special education in addition to fees for oversight. Fees associated with oversight consisted of 1% of revenue from local control funding formula sources. Total fees for oversight amounted to \$66,028 and total expenses for special education amounted to \$137,391 for the fiscal year ending June 30, 2021.

NOTE 15 – SUBSEQUENT EVENTS

PazLo Education Foundation has evaluated subsequent events for the period from June 30, 2021 through November 23, 2021, the date the financial statements were available to be issued.

On July 9, 2021, the Governor of California approved Assembly Bill 130 (AB 130). Effective July 1, 2021, AB 130 added a provision within the California Education Code whereby all charter schools whose term expires on or between January 1, 2022, and June 30, 2025, inclusive, shall have their term extended by two years. As a result, the new term expiration dates to the charter petitions mentioned in Note 1A are June 30, 2024 for APEX Academy and June 30, 2025 for Matrix for Success Academy.

Management did not identify any other transactions or events that require disclosure or that would have an impact on the financial statements.

SUPPLEMENTARY INFORMATION

PAZLO EDUCATION FOUNDATION LEA ORGANIZATION STRUCTURE JUNE 30, 2021

PazLo Education Foundation, located in Los Angeles, was formed as a nonprofit public benefit corporation on October 20, 2011. The Organization operates two public charter schools: APEX Academy (Charter No. 1459) and Matrix for Success Academy (Charter No. 1961). Both charter schools are authorized by the Los Angeles Unified School District. During 2020-21, the Charters collectively served over 500 students in grades 7 to 12.

PAZLO EDUCATION FOUNDATION RECONCILIATION OF ANNUAL FINANCIAL AND BUDGET REPORT (UNAUDITED ACTUALS) WITH AUDITED FINANCIAL STATEMENTS JUNE 30, 2021

There were no adjustments to reconcile net position reported on the Annual Financial and Budget Report (Unaudited Actuals) within the Charter Schools Enterprise Fund to net assets per the audited financial statements for the year ended June 30, 2021 for the following charter schools:

APEX Academy (Charter No. 1459)
Matrix for Success Academy (Charter No. 1961)

PAZLO EDUCATION FOUNDATION NOTES TO THE SUPPLEMENTARY INFORMATION JUNE 30, 2021

NOTE 1 – PURPOSE OF SCHEDULES

A. LEA Organization Structure

This schedule provides information about the local education agencies (LEAs or charter schools), including the Charters' authorizing agencies and grades served and the Organization's members of the governing body and administration.

B. Schedule of Expenditures of Federal Awards

The accompanying schedule of expenditures of federal awards includes the federal grant activity of the Organization and is presented on the accrual basis of accounting. The information in this schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Therefore, some amounts presented in this schedule may differ from amounts presented in, or used in the preparation of, the financial statements. The Organization has not elected to use the 10 percent de minimis indirect cost rate.

C. Financial Statements by Charter

The financial statements by charter, which include the statements of financial position and activities by charter, provide information supporting the amounts incorporated in PazLo Education Foundation's financial statements and reported within APEX Academy and Matrix for Success Academy.

D. Schedule of Instructional Time

This schedule presents information on the number of instructional days offered per grade level by the Organization's charter schools, and whether the charter schools complied with the provisions of *Education Code Section* 47612.

E. <u>Reconciliation of Annual Financial and Budget Report (Unaudited Actuals) with Audited Financial Statements</u>

This schedule provides the information necessary to reconcile net position reported on the Annual Financial and Budget Report (Unaudited Actuals) within the Charter Schools Enterprise Fund for each charter school to net assets on the audited financial statements by charter school.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Independent Auditors' Report

To the Board of Directors of PazLo Education Foundation Los Angeles, California

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of PazLo Education Foundation (the "Organization") as of and for the year ended June 30, 2021, and the related notes to the financial statements, which collectively comprise the Organization's basic financial statements and have issued our report thereon dated November 23, 2021.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting ("internal control") as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

San Diego, California November 23, 2021

Christy White, Inc.

REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM; AND REPORT ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

Independent Auditors' Report

To the Board of Directors of PazLo Education Foundation Los Angeles, California

Report on Compliance for Each Major Federal Program

We have audited PazLo Education Foundation's compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of PazLo Education Foundation's major federal programs for the year ended June 30, 2021. PazLo Education Foundation's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of PazLo Education Foundation's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about PazLo Education Foundation's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of PazLo Education Foundation's compliance.

Opinion on Each Major Federal Program

In our opinion, PazLo Education Foundation complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2021.

Report on Internal Control Over Compliance

Management of PazLo Education Foundation is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered PazLo Education Foundation's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of PazLo Education Foundation's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

REPORT ON STATE COMPLIANCE

Independent Auditors' Report

To the Board of Directors of PazLo Education Foundation Los Angeles, California

Report on State Compliance

We have audited PazLo Education Foundation's compliance with the types of compliance requirements described in the 2020-21 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting, prescribed in Title 5, California Code of Regulations, section 19810, that could have a direct and material effect on each of PazLo Education Foundation's state programs for the fiscal year ended June 30, 2021, as identified below. Reference to PazLo Education Foundation within this letter is inclusive of APEX Academy (Charter No. 1459) and Matrix for Success Academy (Charter No. 1961).

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its state programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of PazLo Education Foundation's state programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of the *2020-21 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*, prescribed in Title 5, California Code of Regulations, section 19810. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on the state programs noted below. An audit includes examining, on a test basis, evidence about PazLo Education Foundation's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance with the requirements referred to above. However, our audit does not provide a legal determination of PazLo Education Foundation's compliance with those requirements.

Opinion on State Compliance

In our opinion, PazLo Education Foundation complied, in all material respects, with the types of compliance requirements referred to above that are applicable to the state programs noted in the following table for the year ended June 30, 2021.

Procedures Performed

In connection with the audit referred to above, we selected and tested transactions and records to determine PazLo Education Foundation's compliance with the state laws and regulations applicable to the following:

	APEX Academy	Matrix for Success Academy
Description	Procedure	es Performed
Local Education Agencies		
Attendance and Distance Learning	Yes	Not applicable
